Our Mission

Night to Shine is an unforgettable worldwide celebration event, centered on God's love, honoring and valuing people with special needs.

People with special needs are often some of the most vulnerable and overlooked members of our community.

An estimated 1.3 billion people around the world are living with special needs. This means that 1 out of every 6 of the world's population may have never heard that they matter, that they are loved, and that they are valued, worthy, royal, and precious Kings and Queens.

We're inviting you to be part of more than a prom...

Please join the Contra Costa County churches including CPC Danville, Creekside Alamo, and Cornerstone Antioch, as we share God's love and celebrate people with special needs. Night to Shine, sponsored by the Tim Tebow Foundation, is a celebration event held simultaneously around the globe each year on the Friday before Valentine's Day. This VIP event includes a red carpet entrance complete with a warm welcome from a friendly crowd and paparazzi, hair and makeup stations, shoeshines, limousine rides, karaoke, gifts, a catered dinner, a Sensory Room, a Respite Room for parents and caregivers, dancing, and a crowning ceremony where every guest is honored as a King or a Queen! Our local event in Danville has an attendance of 250 guests with special needs and 300 of their parents and caregivers, and is a part of a worldwide movement that celebrates over 107,000 honored guests on one night in all 50 states, and in 63 countries!

... this is an invitation into a community that values, honors, accepts, and celebrates people with special needs and their families.
